\* Tuition is a yearly contract but school offers payments to be made monthly. Monthly payments are due on the 1st or 15th of the month, one month in advance. For example, when starting in August the first payment will be July 1st. Credit card payments are subject to a 3.5% convenience fee. Tuition is non-refundable. The monthly payment plan will have a \$25 mandatory charge for Tuition Insurance. This has been put in place for your benefit. If you leave the school for an unforeseeable reason you will only be responsible for one month's tuition. This will complete your obligation of Tuition. Tuition Insurance is not included in these figures. Tuition Insurance is not required if you pay in full. However, a fee of either \$300 for the Full School Year (June to May) or \$250 for the Academic School Year (Mid August to May) can be included in your yearly payment to protect you in case of unforeseeable circumstances.

\*\* 3% discount is offered on the yearly rate if paying in full by check, ACH, Debit Card or cash. We are unable to accept credit cards for the full pay option. The tuition for school year program (June to May) must be paid in full by April 1st. The tuition for the Academic school year program (Mid August to May) tuition must be paid in full by June 1st. When starting during the year the discount will apply and the due date will be determined at time of enrollment. There will be no exceptions.

~ There is a sibling discount of 5% that is applied based on the child with the lesser tuition amount.

**IMPORTANT:** Review the Tuition Policies in the Community Handbook so you are aware of all of the policies in reference to enrollment and tuition.
