Professional Development
Days – SCHOOL CLOSED**

June 7th

Tuesday

Summer Camp

We would also like to ask for your patience during the times that the school is closed. These are the times that we use to deep clean the campuses and perform repairs and maintenance. This is also a time for the teachers to get refreshed and perform assessments. Please note that calendar dates are subject to change.

*The Elementary and Adolescent Programs have a slightly different calendar which will also be posted to the website.

Thank you for understanding.
