* Tuition is a yearly contract but school offers a monthly payment plan. Monthly payments are due on the 1st or 15th of the month, one month in advance. Credit card payments are subject to a 3.5% convenience fee. Tuition is non-refundable. The tuition rates include the Tuition Protection Plan rate of \$25 per month. This is a mandatory charge for the monthly payment plan. This has been put in place for your benefit. If you leave the school for an unforeseeable reason you will only be responsible for one month's tuition. This will complete your obligation of Tuition. Tuition Protection is not required if you pay in full, but it would protect you in case of unforeseeable circumstances.

** 3% discount is offered on the yearly rate if paying in full by check, ACH, Debit Card or cash. We are unable to accept credit cards for the full pay option. Tuition must be paid in full by April 1st. The tuition for the Academic school year (elementary & adolescent only) must be paid in full by June 1st. When starting during the year the discount will apply and the due date will be determined at time of enrollment. There will be no exceptions.

~ There is a sibling discount of 5% that is applied based on the child with the lesser tuition amount.

PLEASE NOTE

Tuition rate includes the Tuition Protection Plan. See note above and review the Tuition Policies

IMPORTANT:

Review the Tuition Policies in the Community Handbook so you are aware of all of the policies in reference to enrollment and tuition.
