We would also like to ask for your patience during the times that the school is closed. These are the times that we use to deep clean the campuses and perform repairs and maintenance. This is also a time for Professional Development, First AID CPR , Blood Bourne Pathogens are just a few annual group PD we have to be certified into keep our students safe and staff in compliance. The spaces are also deep cleaned and altered to fit the climate of the class community in addition to doing assessments. Please note that calendar dates are subject to change.

*The Elementary and Adolescent Programs have a slightly different calendar which will also be posted to the website.

Thank you for understanding.
